<https://tinyurl.com/y7kekhnu>

Topics: Emerging Evidence in Perinatal Death
Memory Making
Perinatal Bereavement
Understanding Perinatal Autopsy and Investigation
Resources for Families
Parent Panel

Objectives: At the conclusion of the workshop, participants will be able to:

- Discuss recent research publications related to perinatal loss
- Formulate approaches to incorporating new research into care and providing education to families regarding evidence-based practices.
- Examine the role of memory making in the perinatal loss grief journey
- Identify opportunities for memory making during perinatal bereavement
Describe first-hand accounts of perinatal loss and the impact of loss
- Examine perinatal evaluation options
- Identify the role of cultural needs, financial restrictions, myths in perinatal loss evaluation

Continuing Education:

NURSES: This continuing nursing education activity was approved by the Washington State Nurses Association Approver of Continuing Nursing Education, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Nurses can claim 6 contact hours for complete participation in this activity.

PHYSICIANS: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Minnesota Medical Association and the Star Legacy Foundation. The Minnesota Medical Association (MMA) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing education for physicians. The Minnesota Medical Association designates this live activity for a maximum of **6 AMA PRA Category 1 Credit(s)**. Physicians should only claim the credit commensurate with their participation in the activity.

SOCIAL WORK: Star Legacy Foundation has been designated by the Minnesota Board of Social Work as a provider of continuing education for Social Workers. This activity has been designated for 6 CEUs.
