PERINATAL BEREAVEMENT:

Improving Care For Families

Wednesday, October 7, 2020

1:30 pm – 3:00 pm Central Time (please adjust for your location)

Virtual Presentation

Registration: \$10

Registration link: <https://tinyurl.com/yy2j2dml>

Target Audience: Health professionals caring for perinatal loss patients and their families including nurses, physicians, social workers, case managers, imaging technologists, and pastoral care, etc.

Continuing Education: This continuing nursing education activity was approved by the Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

1.0 Contact hours will be awarded at the conclusion of the activity, post-test and completion of course evaluation.

Continuing education available for other professional disciplines upon request.

Objectives:

At the conclusion of the workshop, participants will be able to:

- Describe holistic care for families preparing for or enduring perinatal death
- Review racial disparities in perinatal loss and cultural implications for bereavement
- Identify opportunities for improvement in care protocols
- List resources available to health professionals and families

Faculty: Jennifer L. Kouri, RN, CPLC
